JOE COLOMBO - milanese legend

14-20 aprile 2015

Milano

In occasion of the upcoming Fuorisalone 2015 and for the full duration of Expo, A15 focuses on a fundamental design figure of the 20th century: Joe Colombo.

For the first time A15 wants to study in deep the work of a unique interpreter in the design industry, famous for having designed various products for numerous companies.

The target is to create a market exhibition and to propose a large part of objects, furniture, lamps and curiosity of the past with various characteristics different from any product still in production nowadays.

A special thanks goes to Studio Joe Colombo for the precious collaboration and granted trust.
