

## [mirrors]

The collection of made-to-measure mirrors  
inspired by the past

### Design your own next mirror

Pescetta presents the New Collection of  
**Made-to-Measure** Mirrors to be  
**personalized** in any detail.

With brass or iron frame and panelled mirror they  
replicate early 20th century Art Déco and  
Industrial mirrors.

Thanks to many customizable details each mirror will be  
a **unique handmade piece**, characterized by high  
quality materials of **Made in Italy** standard.

Realization timing 20 working days.  
World-wide shipping.

### Customize the Frame

Define **Shape**, **Size** and **Material**.  
Choose between Brass and Iron and your favourite finishing.

**Iron** can be industrial, gold or silver.  
**Brass** can be shiny or vintage effect.

### Personalize the mirror

Divide the mirror into **panels** if you wish, then choose the kind  
of mirror : **Classic** or **Aged effect**.

Add **accessories** such as lights, hangers or studs.

### Brass Frame Mirrors

With frame made of brass, mitred  
corners, panelled mirror and brass  
buttons at panels intersections,  
these mirrors replicate the idea of  
early 20th century **Art Déco** or  
Parisian café mirrors.  
They suit both **modern spaces**  
which need a touch of **elegance**  
and very classic locations which  
need a wall decoration in line with  
the atmosphere.

#### Customizable details

**Frame:** shape, size and finishing :  
shiny brass or vintage effect brass.
