## PRESS RELEASE - DESIGN WEEK 2017

ZEUS, landmark of avant-garde and minimalist design since ever, invites you to visit the DESIGN ENSEMBLE presentation.

After the success of the past editions, on the occasion of the Design Week, the historical 50's Blue Garage located in Corso San Gottardo, right in the heart of the Porta Ticinese Canals' district, becomes a real point of exhibition within the FuoriSalone, hosting several European design brands.

**ZEUS** – design products / **PRANDINA** – lightings / **SHUJ** – home textile, the permanent partners of the show-room, will be joined by **CC-TAPIS** – contemporary handknotted rugs / **HEY-SIGN** – 100% pure new wool products / **REX KRALJ** – craft redesigned / **SOLO ECO** – artisans of ecological mortar.

We will also present the photo exhibition "**Romantico Metropolitano**" by Antonio Idini – organized by ZEUS and curated by Denis Curti, editor of the magazine Il Fotografo.

The show-room will be open starting from April 3rd till April 10th, from 10 am to 10 pm non-stop. Cocktail every day.
