## MAKEASPLASH! THE MULTIWAY SWIMSUIT

---

A new and young concept that introduces the idea of transformation in beachwear style.

**MAKEASPLASH Milano.** A unique swimsuit that's versatile, with over 15 different ways to wear it. Always precious and elegant, you can wear it from morning till night, on a boat or during a summer cocktail. A unique piece to dress all summer.

The swimsuit is fully produced in Italy, after detailed research for the materials and the design. It has a great capacity of protecting the body from UV sunrays and pilling resistant.

Quick drying and breathable and are just some of the properties of the chosen fabric; these features make the swimsuit a high-performance leader and able to withstand the test of time.

Soft and comfortable, it is designed to enhance any body type.

**MAKEASPLASH Milano.** The collection will include two product variants, double face and plain color, available in a palette that ranges from classic to fashionable. It will be available in four different sizes: XS - S - M - L.

**MAKEASPLASH Milano** is available exclusively online through [Kickstarter.com](https://www.kickstarter.com) until the end of April 2017.

For more information about the product and for any up-and-coming news please visit [www.makeasplash.it](http://www.makeasplash.it)
